The 2009-2010 school year was a wonderful year for me. I appreciate all of the parental support and encouragement you gave me through your notes and prayers. I continue to pray for each one of my students as they move on to new adventures. My hope is that they take what they've learned here at Beautiful Savior and use it to glorify the Lord in everything they do. For those returning next year, I look forward to working and learning with you again. Have a great summer!
