Beautiful Savior Lutheran School
May 27&28, 2010

Dear Parents,

We spent this week enjoying one of God's most amazing creations - water. Our pond has returned to our reading corner next to our campsite, and the sensory table was once again filled with water and pond creatures. The highlight of the week was, of course, Water Fun Day! God blessed us with two beautiful days to enjoy outside while we played in a small pool, ran through the sprinkler, and played some water games. We also had a special treat of water (the frozen kind) with fruit juice popsicles.

In Jesus Time we heard the story of Jesus Calming the Storm. We saw that not only did God create the water, but he also has control over it. We also learned that we can have faith in Jesus even in the middle of a storm.

In ABC Time the 3 yr. olds learned about Zowie Z. Zebra, who lives in the zoo and likes to zoom and zip around. We decorated our Zs with zigzag zebra stripes. The 4 yr. olds have finished the alphabet and their ABC Books. We are reviewing what we have learned by playing some fun alphabet games.

We have been eagerly anticipating and preparing for the Preschool Picnic next week. We have some special things planned that we can't wait to share with you. (See more information below)

In Christ,
Mrs. Leapley

Preschool Family Picnic

Thank you to everyone who has signed up to bring something for our picnic. If you did not specify a quantity, please let me know how much you are going to bring. There are still some things that we need. I plan to do any needed shopping next Monday, so please sign up by then. The only food that I will need in advance is the hot dogs. If the weather is nice, you will have the option of sitting inside or outside to eat. Please bring lawn chairs or a blanket if you plan to eat outside. Tables will be set up in the gym regardless of the weather. I can't wait to celebrate together!
