Beautiful Savior Lutheran School

Feb. 2nd & 3rd, 2012

Dear Parents,

This week we traveled all the way from the North Pole to the South Pole as we learned about penguins. We made penguins with heads, bellies, flippers, and feet. That was also a favorite song (think "Head, Shoulders, Knees and Toes"). We also learned that Daddy penguins have an important job in taking care of the eggs. Do you think you could stand for two months with an egg on your feet through many Arctic storms? Go, Dad! We had fun as we counted five little penguins slipping on the ice, and we met a special penguin named Tacky when we read Tacky the Penguin and Tacky and the Winter Games. He is an odd little bird who discovers that being different can be a good thing. God made him special just like he made us.

In Jesus Time, we continued our unit about how God created us to be special and unique. This week we talked about our mouth. Our friend Mr. Mouth helped us to learn how to use our mouth to say good things. He also helped us learn how it makes others feel when we say mean things. These are important lessons for all of us. A special verse this week was Psalm 141:3.

We continued learning our letters this week with the letter P. We had a P picnic where we enjoyed pizza, popcorn, pretzels, peaches, and pineapple on paper plates. It was practically perfect. We also jumped from iceberg to iceberg looking for the letter P with our friend Pippy P. Penguin. Our P song this week was - "Praise Him for His mighty deeds; praise Him according to His excellent greatness." Psalm 150:2

Jump Rope for Heart materials have been sent home. Permission slips need to be returned, even if you are not collecting donations. The event will take place on Friday, Feb. 10th. There will be different stations that the kids will be able to enjoy in their chapel families. The 4 yr. old preschool class will be participating that day, and our 3 yr. old class is invited to join us. Collecting donations is voluntary and everyone can participate even if they do not have donations. It is a fun event that all the kids enjoy each year.

Next week we will be learning with the Pigeon as we prepare for our field trip to the First Stage production of Don't Let the Pigeon Drive the Bus. The play will be on Thursday, Feb. 9th. We will be leaving at 8:45 a.m. and returning at 11:15 a.m. (drop-off and pick-up will be at the normal times). Please remember to send a car seat and wear your spirit wear or yellow t-shirt.

In His Service,

Mrs. Leapley

Letter for Next Week

The Letter Q

Each week at home, take time to notice things that begin with the letter of the week. Practice that letter's sound. Encourage your child to share what you've learned at school.
